

## NORTH HORSHAM PARISH COUNCIL

### PLANNING, ENVIRONMENT AND TRANSPORT COMMITTEE MEETING

7<sup>th</sup> AUGUST 2014

#### COMMITTEE REPORT

**4. Chairman's Announcements**

There are no Chairman's announcements

**5. Declarations of Interest**

Members are advised to consider the agenda for the meeting and determine in advance if they may have a Personal, Prejudicial or a Disclosable Pecuniary Interest in any of the agenda items. If a Member decides they do have a declarable interest, they are reminded that the interest and the nature of the interest must be declared at the commencement of the consideration of the agenda item; or when the interest becomes apparent to them. Details of the interest will be minuted.

Where you have a Prejudicial Interest (which is not a Disclosable Pecuniary Interest), Members are reminded that they must now withdraw from the meeting chamber after making representations or asking questions.

If the interest is a Disclosable Pecuniary Interest, Members are reminded that they must take no part in the discussions of the item at all; or participate in any voting; and must withdraw from the meeting chamber; unless they have received a dispensation.

**6. To discuss Gatwick Airport Airspace Consultation**

Gatwick Airport is currently consulting on potential changes to the airspace in the immediate area around Gatwick Airport. The consultation focuses on the specific effects of low altitude options for new routes into and out of Gatwick, as part of an airspace change programme to modernise the routes in line with the UK Future Airspace Strategy.

Specifically, the consultation seeks feedback on the impacts of the options on noise contours and noise footprints, and proposed changes to the Governments Noise Abatement procedures for Gatwick, with reference to the following design options:

- Options for departure routes and associated Noise Preferential Routes (NPRs) for departure flight paths – this includes options for realignment and options for respite
- Night time respite options for arrivals

- Updating existing NPRs and their associated swathes to take account of changes to flight path concentration as a result of the switch to Performance Based Navigation (PBN) routes implemented in November 2013.

Full details of the consultation may be found at [www.gatwickairport.com/gatwickairspaceconsultation](http://www.gatwickairport.com/gatwickairspaceconsultation) and there will also be a hard copy available in the Parish office.
