6. To consider becoming one of HDC's 'Electronic Parishes' – No longer receiving paper plans

HDC have contacted the Parish Council regarding the possibility of becoming one their 'electronic parishes'. This would mean no longer receiving any paper plans for the planning application consultations, and would require viewing them instead on the public access website. Paper plans could be requested in the instance of a major planning application or if the plans are too large to view online.

Members views are sought.
