14. Grant Applications

Applications are available for review at the Parish Council Office.

First Holbrook Brownie's application for sponsorship of a Young Leader who has been selected to represent Horsham Division and the Sussex Central County Girlguiding on an international service project. The project is to build 2 houses, sanitation and water for two families in South Africa.

The request for £300 is a small proportion of the total cost of the project which is £2,600. Additional funding has been sought from Horsham Lions and Horsham Rotary Club and there have been a significant number of small fundraising activities undertaken by the Horsham Division Brownies.

The benefit to the local community is from the opportunity the young leader will have to better equip her to extend the contribution that she currently makes to Girlguiding and the community in North Horsham. This could encourage others to take up leadership roles within the Girlguiding organisation. The skills learnt could be transferred to helping other community initiatives.

The organisation holds limited reserves and has included all documentation.

Records show that the First Holbrook Brownies have not received any grant funding from North Horsham Parish Council in the last ten years.

Cruse Bereavement Care's application is to support the organisation's core work of providing one-to-one support to bereaved adults, children and young people living in north Horsham parish either at home or in school. The sessions aim to help the client express their feelings and explore ways of dealing with their loss.

The request for £500 is a small proportion of the £70,000 annual cost of running the project. Additional funding of around £8,000 has been secured from other sources and the organisation also relies on donations and grants. The service can benefit any member of the local community.

The organisation holds limited reserves and has included all documentation.

The only grant given to Cruse Bereavement Care in the last ten years was £500 in June 2014 for ongoing work.

Crawley, Horsham and Mid-Sussex Home Start's application is to support the organisation's core work of providing non-judgemental, practical and emotional support to vulnerable young families. Referrals to the service outstrip the ability to provide support. In an average West Sussex classroom of 30 reception children, 3 are suspected of neglect or abuse, 4 require additional support services and around 45% are starting reception class with levels of development below the national average. Home-Start CHAMS is committed to improving children's future life chances by supporting them and their families within their early years.

The request for £700 is a small proportion of the cost of supporting one family (£11,200). Additional grants and funding activities are taking place. The service benefits those living in north Horsham.

The organisation holds modest reserves and has included all documentation. North Horsham Parish Council has previously supported Crawley, Horsham and Mid-Sussex Home Start as follows:-

Crawley & Horsham Home Start	March 2008	£1000	Ongoing work
	July 2009	£1000	Ongoing work
	February 2011	£1500	Ongoing work
	October 2015	£1500	Ongoing work
	October 2016	£1500	Service Provision

West Sussex Mediation Service's application is to support the organisation's core work of providing a range of free mediation services to those suffering conflicts in their lives including neighbour disputes, family disputes, support for issues relating to older people and conflict coaching.

The request for £500 is a small proportion of the cost of providing the service and the organisation has secured grant funding, donations, earned income and engages in fundraising activities.

The organisation has a reserves policy which states that the cash position is monitored to ensure that sufficient funds are available to meet all known

liabilities in the current financial year. The reserves held reflect that position. All documentation has been included.

North Horsham Parish Council has previously supported West Sussex Mediation Service as follows:-

Mediation Service (West Sussex)	July 2005	£300	Ongoing work
	September 2008	£150	Ongoing work
	March 2010	£175	Ongoing work
	June 2011	£200	Ongoing work
	June 2012	£200	Ongoing work
	June 2013	£250	Ongoing work
	June 2014	£250	Ongoing work
	June 2015	£400	Ongoing work
	July 2016	£400	Service Provision

The Clerk/ Responsible Financial Officer was also in attendance.

1. Apologies.

The informal notes of the inquorate meeting on the 19th June 2017 which state that Cllr Mrs S Wilton checked Direct Debit payments against the cash book and signed to verify them were noted.

3. Testing

The following tests were undertaken:-

1. Sales testing and procedures.

The current price list printed from the RBS Omega system agreed with the current Hall Hire charges leaflet.

Four bookings were chosen, one from each premises. A general trail from bookings diary through to bank statement was made for two hirers. 2. Review list of creditors and debtors. This would be carried forward to the next meeting.

3. Check and sign direct debits against the cash book. Signing the direct debits against a control was recommended by the Internal Auditor as good practice. The Parish Council

North Horsham Parish Council is made up of four wards, Roffey North, Roffey South, Holbrook East and Holbrook West. The nineteen councillors that make up the Council act as a body corporate and make decisions which are then carried out by the officers who are employed by the Council. Councillors are active within the community and bring issues to the attention of the council and help it make decisions on behalf of the local community.

In June 2016 the Parish Council resolved that it was eligible to use the General Power of Competence which means that the Council is not restricted by the limited powers granted to Parish Councils and can do anything that an individual can lawfully do. The Parish Council has robust financial management and there is a sound system of internal control which facilitates the effective exercise of their functions and which includes arrangements for the management of risk.

The Parish Council is responsible for three Community Halls in North Horsham, Roffey Millennium Hall, Holbrook Tythe Barn and North Heath Hall. Introduction to the Business Plan

In 2016 North Horsham Parish Council (NHPC) started the process of preparing their first business plan. This was to give focus on how the Council delivers its services and the need for future planning.

Two visioning events were held. At the first Councillors were encouraged to put forward any suggestions for the future of North Horsham Parish Council. At the second event Councillors and staff members were asked to indicate their support for or against the original suggestions and to prioritise the ideas. There was an opportunity to add comments and further projects.

Some improvements and projects could incur the need for additional expenditure. Whilst there may be a need to make an increase in the precept spread over a number of years to achieve a project that is supported by the community, every effort will be made to work collaboratively and in partnership with other organisations where possible to achieve the maximum value for money.

Ultimately any project within the Plan will have an associated costing and list of objectives to enable the project to be monitored and evaluated.

Purpose of the Plan

The purpose of the North Horsham Business Plan is to:-

- To set out the Parish Council's vision, objectives and key priorities.
- To enable the Parish Council to represent the interests of the community working as a corporate body 'with perpetual succession.'
- To facilitate and recognise the value of partnership working with groups who share a common goal with the Parish Council.
- To promote a greater understanding of what the Parish Council does and ensure that residents have a clear understanding of how the Parish Council looks to develop into the future.
- To enable the Parish Council to operate in a consistent and co-ordinated way.
- To encourage the community to become involved in the democratic process and the future of its parish.
- To help the Parish Council to focus on how services are delivered.
- To aid future budgeting.

NHPC Business Plan is a 'live' document which will be updated on an annual basis and reported against every six months. This will enable the Council to track and monitor its progress against key priorities.

Past achievements

The Parish Council has been successful in supporting its community over past years by engaging with residents and representing local views. This is especially relevant in respect of the development North of the A264, transport and environment issues and opportunities that will benefit the community. The Council works to get the best possible outcomes for local people by fostering good relationships with Horsham District Council, West Sussex County Council and other organisations and promoting partnership working where possible.

9. To support access to internet facilities.
10. To provide a Friendship Group in Holbrook.
11. To support the 'Think Family' project in Roffey
12. To facilitate the redevelopment and remarketing of Roffey Centre ie Star Pub, Scrap Metal Yard, shops and Car Park.
13. Review traffic calming measures on Crawley Road.
14. To consider spaces for community events related to science, technology, engineering and mathematics (STEM) and the growing digital creative industry.

15. To encourage local junior schools to learn about the history of North Horsham and provide facilities to exhibit work and give prizes for the best work.
16. To hold a North Horsham Market with stalls and food vendors once a week.

18. To build up a property portfolio to provide additional income and secure investment for the Parish in the future.

Other considerations

The Parish Council also discussed taking responsibility for the Car Park in Godwin Way*, Facilitating a 'dial a ride' scheme for the elderly and infirm, have electric car charging points at community halls powered by solar panels, an audit of personnel, make all halls vatable and contract out caretaking and cleaning duties. But these were all rejected at this time. The Parish Council wanted to help provide a new home for Horsham Football Club, possibly within the North Horsham Development, but a planning application for a ground at Hop Oast has been agreed by the Planning Authority.

*The Parish Council has entered into negotiations with Horsham District Council to lease the Car Park funded by contributions from local retailers. There may be a need for a small contribution from the Parish Council. (See financial considerations).

Progress of individual projects

2017

1. To engage with Horsham District Council, West Sussex County Council and developers to influence development in North Horsham, especially in relation to highway improvements, transport and community facilities to provide as many improvements to infrastructure as possible.

Quarterly Parish Liaison Group meetings will be organised by the Parish Council. Invitees will be Councillors, Liberty Property Trust, HDC, community organisations, the CCG, churches, members of the community and neighbouring Parish Councils.

There is an opportunity to be part of six weekly HDC, Developer Liaison Meetings held every six weeks, organised by HDC and starting in January 2018. The representative will be nominated at the Planning Meeting on 26th October 2017.

2. To improve non vehicular access across the A264 to link the new development and beyond to North Horsham.

An initial report has been commissioned from Phil Jones Associates on which to move forward with the developers and other agencies. This will be ongoing over several years.

3. To improve communications with Horsham District Council

The Clerk, Chairman and other Councillors have met with officers and councillors from HDC to discuss various issues as appropriate and ongoing efforts are being made to engage with HDC. Positive working relationships are being established.

4. To continue working with West Sussex County Council and Horsham District Council to promote best use of resources and partnership working wherever possible especially in respect of highway matters.

There are ongoing discussions to promote this.

5. To produce a Neighbourhood Plan focusing on adding an extra layer of protection on green spaces and building design in the parish.

*The Parish Council agreed to produce a NP focusing on Local Green Spaces and Building Design. **A budget of £10,000 has been allocated.** It is hoped that this can be completed in two years maximum.*

6. To raise the profile of the Parish Council using Horsham Pages (North) and utilising other methods of communication and community engagement.

The Parish Council has set up a contract for a year (cost £560) to advertise in Horsham Pages (North) ie. six entries. The website has been updated and Facebook is used regularly. The Annual Parish Council was organised as a community event to raise the profile of the Parish Council.

7. To encourage greater use of Parish Council facilities as part of activities already established in Horsham Town. For example, encouraging theatre groups to use space at North Heath Hall for performances.

The Chairman and Clerk have spoken with HDC Economic and Visitor team to see if events held in Horsham Town can include North Horsham. Ongoing dialogue will be needed. The HDC Year of Culture 2019 should be an opportunity to address this. A working group has been set up to explore different activities.

8. To reopen Roffey Youth Club to provide opportunities for young people – maybe for NHPC to manage.

This is being explored with West Sussex County Council. HDC has suggested engaging a third party such as Horsham Matters to do some work with young people to understand the issues.

9. To support access to internet facilities.

West Sussex County Council are working with HDC, Horsham Matters and Age UK Horsham District on a Digital Inclusion project. They are aware that the Parish Council is willing to support their initiative where appropriate and within resources.

10. To provide a Friendship Group in Holbrook.

A 'taster' session will be held in November.

11. To support the 'Think Family' project in Roffey

This is winding down and not being replaced therefore will be removed from the Aims and Ambitions section of the Business Plan.

2019 onwards

12. To facilitate the redevelopment and remarketing of Roffey Centre ie Star Pub, Scrap Metal Yard, shops and Car Park.

There is information on file to suggest this will not be possible for at least three to five years. This is a major project and would need buy in from HDC, WSCC and other agencies.

13. Review traffic calming measures on Crawley Road.

West Sussex County Council has no plans to make any amendments to Crawley Road.

14. To consider spaces for community events related to science, technology, engineering and mathematics (STEM) and the growing digital creative industry.

HDC do a buildings audit on an annual basis and are aware of the facilities that the Parish Council can offer.

15. To encourage local junior schools to learn about the history of North Horsham and provide facilities to exhibit work and give prizes for the best work.

Information is required to ascertain what schools already do and how best to offer information to complement the work already done in schools. There could be opportunities to exhibit work at Roffey Millennium Hall.

16. To hold a North Horsham Market with stalls and food vendors once a week.

The logistics of setting up stall in terms of space , access to toilets, electricity etc. would be needed in the first instance.

17. To improve transport links from Horsham Town Centre to North Horsham and North Heath Lane in the evenings. (Buses and taxis)

Improvements could come with the new development north of the A264.

18. To build up a property portfolio to provide additional income and secure investment for the Parish in the future.

The Council may have the opportunity to become involved in community assets on the development north of Horsham.

19. To strengthen the definition of North Horsham 'village ' image.

Does 'North Horsham village' exist? What does North Horsham 'village' mean to local people and in the wider district? How can it be defined to help local people to identify with the concept?

Financial Considerations

The Parish Council is funded through the precept and has ongoing revenue costs. To complete the aims and objectives to achieve the vision the Parish Council will have to consider the budget over the next few years.

Earmarked Reserves

The level of Earmarked Reserves and General Reserves will be important to enable the Council to take on additional services like the Youth provision and Friendship Group. Due to higher income than expected and lower expenditure than expected it is forecast that the level of reserves will rise.
