

**NORTH HORSHAM PARISH COUNCIL
EXTRAORDINARY PARISH COUNCIL MEETING THURSDAY 3rd JANUARY 2019 AT
7.00pm AT ROFFEY MILLENNIUM HALL**

**CLERK'S REPORT
To be read in conjunction with the Agenda.**

1. Public Forum.

Members of the public are invited to put questions or draw relevant matters to the Council's attention, prior to the commencement of business. This is for a period of up to 15 minutes and shall be limited to 3 minutes per person.

2. Apologies for Absence.

Apologies and reasons for absence to be given to the Clerk.

3. Declarations of Interest.

Members are advised to consider the agenda for the meeting and determine in advance if they may have a **Personal, Prejudicial or a Disclosable Pecuniary Interest** in any of the agenda items. If a Member decides they do have a declarable interest, they are reminded that the interest and the nature of the interest must be declared at the commencement of the consideration of the agenda item; or when the interest becomes apparent to them. Details of the interest will be minuted.

Where you have a **Prejudicial Interest** (which is not a Disclosable Pecuniary Interest), Members are reminded that they must withdraw from the meeting chamber after making representations or asking questions.

If the interest is a **Disclosable Pecuniary Interest**, Members are reminded that they must take no part in the discussions of the item at all; or participate in any voting; and must withdraw from the meeting chamber; unless they have received a dispensation.

4. Gatwick Master Plan

The draft Master Plan includes three options for growth within the next 5 to 15 years.

Option 1 is where it remains a single runway operation using the existing main runway.

Option 2 where the existing standby runway is routinely used together with the main runway.

Option 3 where Gatwick continues to safeguard for an additional runway to the south.

The above options can be used separately or in combination.

The Planning, Environment and Transport Committee recommended to respond to the consultation by indicating that the Parish Council has been supportive of development at the airport to increase employment opportunities locally, however, there is concern regarding the lack of accompanying infrastructure to support growth, especially lack of improvement to public transport links. The Planning and Environment Committee also observed that the impact of flight paths should be considered.

5. Date of next meeting

10th January 2019 (Scheduled).
