**11. National Planning Policy Framework Consultation**

The Government's current consultation on revising the National Planning Policy Framework (NPPF) (available online using this [link](#)) sets out some big proposals and both the Society of Local Council Clerks (SLCC) and the National Association of Local Councils (NALC) are promoting this to Parish Councils

The NPPF covers all planning issues and the consultation is a lengthy document comprising 58 questions, some of which are very technical, but the SLCC is suggesting that you do not need to answer them all.

Furthermore, when WSALC discussed this issue at the recent Board Meeting it was agreed that they would engage a planning consultant to provide a template of answers to the more generic questions that could be used by Parish Council's to offer a response. A copy of the report and suggested responses will be circulated to all Members by email.

Members may therefore wish to delegate the drafting of the responses to the Clerk in consultation with the Chairman of this Committee, with reference to the advice from the planning consultant to WSALC.

**Decision : How do Members agree to proceed with regard to the drafting of responses to the NPPF consultation?**

<b>Parish Council Comment:</b> No objection however, the size of the ball court looks small for its purpose. As displayed in other developments of this size, there has been a lack of provision for young and older children in the early stages of development, leading to a variety of issues in the neighbourhood. The provision of the ball court and neighbourhood equipped areas of play (NEAP) should be made available for young and older children at the beginning stage of the development.

**WEST SUSSEX COUNTY COUNCIL**  
**(RUSPER: A264)**  
**(50MPH SPEED LIMIT) ORDER 2023**

**Statement of reasons for proposing to make the Orders**

The County Council in exercise of their powers under the Road Traffic Regulation Act 1984, propose to introduce a permanent Order the effect of which will be to extend the existing 50mph speed limit on the A264 Rusper, eastwards to a point 630 metres east of the Rusper Road roundabout junction

As part of a new development of 2750 dwellings and associated community facilities on land north of Horsham a number of highway improvements will be made.

Following on from the upgrade and signalisation of the A264 roundabout junction the 50mph speed limit on the A264 will be extended eastwards. This will then encompass the signalised left in/left out junction to be constructed on the northern side of the A264 that will serve as the Eastern Site Access to the development. The Road Safety Audit has identified the reduced speed limit as being necessary to ensure safe operation of the junction.

The Order is therefore proposed for avoiding danger to persons or traffic using the road of for preventing the likelihood of any such danger arising.

Drawing A264 Horsham Northern Bypass Proposed Speed Limits (14.11.2022)

shows the length of road affected by this Order.

**(THYME DRIVE AMENDMENT) ORDER 202\***

**STATEMENT OF REASONS FOR PROPOSING TO MAKE THE ORDER**

The County Council in exercise of their powers under the Road Traffic Regulation Act 1984, propose to introduce a permanent Order the effect of which will be to introduce lengths of prohibition of waiting at all times (double yellow lines) on both sides of the corners on Thyme Drive.

Thyme Drive is in the residential area north of Moat Road and forms part of Phase 1B of the development site on land north of Horsham. It is proposed to introduce a no waiting restriction on corners of Thyme Drive with a tighter radii where parked vehicles would impede visibility and obstruct vehicles traveling on the road.

This Order is proposed for avoiding danger to persons or traffic using the road and to facilitate the passage on the road of any class of traffic and for facilitating the passage on the road of any class of vehicle (including pedestrians).

Plan Nos. TQ1834SEN      TQ1834SES
