

North Horsham Parish Council

Business Continuity Policy and Plan

Business Continuity Policy Statement

The Civil Contingencies Act 2004 provides a generic framework for public protection by those categorised as Category 1 Responders (ie District/ County Councils) to ensure that they are prepared, as far as reasonably practicable, to continue to provide critical functions in the event of disruption.

As part of Local Government, North Horsham Parish Council has used the framework to set out how it intends to maintain the continuity of its core functions, should they be disrupted by any event, in order to enable them to return to 'normal' operations as soon as possible, taking into account the impact of any delay on quality of service, reputation and finances.

Scope of the Policy and Plan

This policy and plan is intended to ensure:

- The concept of Business Continuity, the policy and approach is understood by the Council and its staff.
- That there is a clear framework to follow in the case of an emergency.
- That the Parish Council has taken reasonable steps to ensure that there will be as little disruption as possible to the Council (business) in the event of an unexpected event or emergency.

Responsibilities

North Horsham Parish Council as a corporate body is responsible for the Business Continuity Plan.

In March 2020 a scheme of delegation whereby urgent decisions would be facilitated by agreement of the Chairman of the Council, Vice Chairman of the Council, Chairman of the Finance and Administration Committee and the Clerk was agreed. The delegated group would be responsible for initiating actions included in the Business Continuity Plan.

Should one of those people be unavailable for any reason, substitutions could be made with the Chairman of the Planning, Environment and Transport Committee or the Chairman of the Property Committee and the Deputy Clerk. Any decision made would be communicated to the Council and ratified as soon as possible after the decision had been made. If possible, the views of the Council would be sought prior to the decision, but this may not be practical.

The Clerk, as Proper Officer has the delegated day to day responsibility for keeping the plan updated and taking the Plan forward to include lessons learned and good practice with support from the Council and staff members. The Clerk will be responsible for communicating the programme to Councillors and staff.

The Council will be responsible for ensuring there is adequate training for staff and ensuring that activities are completed through a monitoring system.

Annex 1

Possible process to follow should a member of staff be off work due to long term illness.

Each absence should be considered individually, and different action may be required depending on individual circumstances. The timings would be at the discretion of the Personnel Committee and the nature of the absence.

The following is for guidance only.

Short term ie up to 1 month

Existing staff to cover main activities ie preparing, covering and taking minutes for meetings, ensuring that e-mails are answered, following work schedules and processing invoices and payments, supervising staff. Hall cover may be necessary by other staff members or caretakers. The Council will be made aware that the office or halls are short staffed so new projects may need to be delayed.

The main focus will be that the halls are covered, meetings are covered, that e-mails are answered and that invoices are sent out and paid.

Medium term 1 month to 3 months

Arrangements to be made for a locum to cover meetings and to respond to emails. Existing staff to follow work schedules, process invoices and payments and supervise staff.

The main focus will be that the halls are covered, meetings are covered, that e-mails are answered and that invoices are paid. Consideration will need to be given to staff who may be covering a larger remit than normal and who are trying to support the locum.

Over 3 months.

Appoint locum to cover all work of the employee or increase the hours of part time staff if appropriate and they are agreeable. There may be a need to re-allocate work of existing staff to ensure full cover.

The main focus will be that the halls are covered, meetings are covered, that e-mails are answered and that invoices are sent out and paid. Other work will be necessary so that it doesn't get behind. Should a locum be appointed they should take on additional work to relieve staff members who may have stepped in to help whilst the locum settled in.

Possible process to follow should a member of staff resign.

There is a 3 month window to recruit and appoint a new senior staff member, therefore, as soon as possible after receiving the resignation, the Clerk or Chairman should start the recruitment process. The Clerk has delegated authority to incur expenditure to begin the recruitment process without recourse to the Personnel Committee. All roles have adverts, contracts, job descriptions and person specifications.

If possible, the appointment should be made with sufficient time to allow the new staff member to overlap with the incumbent by a week to give a smooth handover.

It will be difficult to replace staff who have a one month notice period within that time frame, therefore as soon as possible after receiving the resignation the recruitment process should start and arrangements made for the key parts of the job to be covered whilst a new staff member is found.

Update and review

This Policy and Plan shall be updated as appropriate and reviewed every two years by full Council. The next review will be May 2025.
