- ii. Members recalled an item on the Agenda for the PET meeting on the 28th March 2024, regarding a residents concerns about Lambs Farm Road and revisiting parking issues and road safety within the Parish. As per the AGREED action, on Monday 15th April, the Committee Clerk contacted, by email, Councillor Jay Mercer as the WSCC Councillor and Councillors Tony Bevis and Belinda Walters as the HDC Councillors, for Roffey North. They were asked for their views on the risk to safety of Lambs Farm Road pedestrians and drivers.

Councillor Jay Mercer responded on the same day to let us know that he has also been contacted directly by residents about the speed and noise of traffic on Lambs Farm Road and he would support actions that could be taken to reduce these and provide more safe crossing points, such as the new traffic island planned for Harwood Road.

Tony Bevis also responded on the same day and shares the concerns about the traffic on Lamb Farms Road regarding pedestrians on the street. Tony feels the profile of traffic varies as one goes down Lambs Farm Rd from the Norfolk, the top section is wide with very few parked cars and generally this is where motorists appear to be speeding, towards the school and shops there is more parking which forces drivers to slow down, further down the road there is sporadic parking on both sides which again slows drivers down. Overall, Tony would welcome automated signs showing vehicle speed and a speed survey. Depending on the outcome, he would welcome a 20-mph limit but realise that this would require evidence.

The Chairman made Members aware that the item regarding parking issues and road safety will be put back on the Agenda in June.

The Chairman's Announcements were **NOTED**.
